CAMPUS BRANDING GUIDE

**THE ONLY
WAY IS
THROUGH.**

INTEGRITY DESIGN

MOTIVATION BY DESIGN®

Integrity Design's mission is to design, create and deliver high-quality, recognition and motivational banners and other brand and function specific materials for individual and team sports, as well as other academic organizations. While we pride ourselves on providing clients with exceptional collateral we are also devoted to helping teams and organizations define their branding goals to ensure long lasting and maximum impact. The materials we develop not only help to enrich and reward the performance of high-performing athletes and students, but also foster self-worth, pride, and loyalty in all the individuals who participate in activities overseen by our clients.

Quote / Art Proof

We provide art proof, quote, including shipping and any applicable tax, on all orders.

Production Time

Production time varies by job but normally product will ship in 5-10 business days after final art approval and payment or PO receipt.

Special Orders

Call for quantity pricing and special size or product orders.

Custom Art Charges

Orders requiring extensive custom artwork may incur additional charges.

Payment Terms

We take school purchase orders, dealer purchase orders, Visa, Mastercard, American Express, Discover and checks. We will supply a W-9 upon request and will complete any vendor registration information required. Orders may be held until we receive a purchase order or payment by other accepted means.

For more information and products available visit our website:

CHAMPIONSHIP PENNANTS

Championship Pennants are a perfect way to celebrate the history of your sports programs, record events and motivate your student-athletes. Displaying these at your facility communicates recognition of tremendous effort and achievement and inspires others to excel. Integrity Design pennants are made from the highest quality material and are fire-retardant and extremely durable with reinforced edges. Let our experienced team put a design package together for you that will highlight your accomplishments.

VINYL CHAMPIONSHIP & MOTIVATIONAL BANNERS

Championship and Motivational Banners are a perfect way to record events and recognize team and individual accomplishments. Use them to honor and showcase your student-athletes' achievements or to focus and motivate them on upcoming events or daily challenges. Integrity Design banners are digitally printed, made from the highest quality material and are fire-retardant and extremely durable with reinforced edges to prevent curling.

MESH CHAMPIONSHIP & MOTIVATIONAL BANNERS

Mesh Championship and Motivational Banners are a perfect way to take your message outside. They can be used to recognize individual and team accomplishments and to give that extra spark to motivate your students and athletes to a higher level. Mesh banners are also a great way to makeover your campus. Digital printing and the reinforced edges ensure a long life and the 30% pass through mesh is a perfect material for outside use. They are fire-retardant and waterproof.

ADD-A-YEAR BANNERS & PENNANTS

Add-a-year banners and pennants are a fantastic way to show the history of your accomplishments in each area of your sports program. They are digitally printed on high quality material with reinforced edges like all our championship banners and pennants. Updates are quick and easy with our adhesive back numbers. Quickly add this year's championships without the need for an additional banner. Our add-a-year solutions are a great way to showcase your winning years but not take up too much wall space in your gym.

POLE & WALL BANNERS

Light Pole Banners make a striking impression and are a fantastic way to promote your school brand and create excitement across all areas of your campus. Use them to promote events, honor coaches, teachers, students or athletes. Grommets in all corners provide the option for additional support against high winds by providing additional attachment points. Standard sizes are 1.5' x 2', 1.5' x 3', 2' x 4' or 2.5' by 5'. Custom sizes are also available. Hardware includes wall mount, single-sided and double-sided pole mounts. High wind hardware options are also available.

JERSEY PRINT & FRAME

Customized jersey prints are an inexpensive way to celebrate a player's career. Whether it be a retired number celebration, hall of fame, a memorial or an athletic achievement award, this gift is the perfect piece to give at an event and saving hundreds of dollars opposed to framing an actual jersey. The heavy-gauge aluminum frame is very nice and extremely sturdy. This photo-realistic print will look great in someone's home, office, classroom or man cave.

COROPLAST SIGNS

Coroplast is an economical, lightweight material that is ideal for indoor or outdoor use. Its safe temperature range is from -17 degrees F to 160 degrees F and it is waterproof, weather resistant and stain resistant making it suitable for just about any environment. Its resistance to moisture makes it perfect for motivational signs in locker rooms or weight rooms and its light weight makes mounting simple and quick. Coroplast uses polypropylene copolymers which makes for easy recycling. Available in 1/8" and 1/4" thick varieties.

**THE ONLY
WAY IS
THROUGH.**

Custom table covers provide a classy way to show off your school colors and logo and provide an excellent branding opportunity. Whether you're preparing for signing day or other school functions, your custom table cover will provide a polished look and make a strong impression for your school. When matched with a backdrop you have the perfect portable stage. Choose the 3-sided for easy placement of chairs and access to space under the table. For complete coverage use the full table cover and for outside use, choose the fitted or stretch options.

CARE INSTRUCTIONS: Machine wash cool, tumble dry on low heat and remove promptly, use steam iron or steamer at low setting.

SPIRIT & STADIUM FLAGS

Spirit Runner pole pocket

Stadium flag reinforced edge

- Digital direct printing
- Vibrant full color graphics
- Optional aluminum telescoping pole for Sprit Runner flag
- Reinforced grommets (Stadium)
- 3" Pole pocket (Spirit Runner)
- Single or double-sided option
- Double-sided options include opaque liner

Our Spirit Runner and Stadium flags are produced from 100% polyester. They are fire retardant and meet NFPA 701, Title 19 and CSFM F 90601 standards. The Stadium Flag has a reinforce grommated edge and the Spirit Flag has a standard 3" pole pocket. There is an optional 16' telescoping pole available. Our flags are printed with UV resistant ink and our dye-sub printing process ensures bright and bold colors. They are perfect for displaying your school mascot or motivational sayings and adding that finishing touch to your campus.

BLADE & TEARDROP FLAGS

Our Blade and Teardrop Flags feature a full fiber pole and wind-resistant flag. It is perfect for indoor or outdoor use. The flexible design allows the graphic to rotate in the wind to help prevent damage. They are a great branding vehicle for indoor or outdoor athletic or academic events and can be set up and taken down in just a few minutes. The Blade or Teardrop flag comes in your choice of single or double-sided graphic. Your design is digitally printed using dye sublimation on 4 oz. polyester material. Outdoor ground stake base included with an option for a tent mounted base or an indoor/turf base. A storage bag is included. Available heights are 9', 11' & 14' for teardrops and 10', 12' & 15' for blades..

CANOPY TENTS

Our canopy tents are great for outdoor sporting events, fairs, exhibitions, concerts, festivals and more and are available in 10ft or 20ft wide options. The printed graphics are long-lasting and can endure exposure to outdoor elements. Our canopies are made from a heavyweight warp knit polyester fabric engineered for high performance in outdoor applications. They are wind and UV-resistant providing the ultimate protection from the sun and weather. This warp knit fabric features coatings specially formulated for direct print capabilities, light diffusion as well as making the product waterproof with an enhanced anti-fungicide treatment. The frame is aluminum Hex providing lightweight and strong support. Standard and custom printed graphics are available to add your messaging or branding. Add full or half walls to accent your shelter and add another graphic dimension.

Our custom decal materials are selected based on the surface being covered. For windows and smooth walls, we use 3M's IJ180Cv3 Controltac™ Graphic Film. Its service temperatures range from -76F to 224F so it can stand even the hottest or coldest days, up to a five-year service life. For clear decals for windows, we use Arlon DPF 4500G Clear. It's 3 mils thick and has a project life of five years. For removable window coverings, Photo Tex™ is the material of choice. It does not rip or wrinkle and is not required to be removed over a certain period of time. For gym floors, CourtWrap is the material of choice. It is a laminated Polyester / Vinyl film for long term use, but is removable, repositionable and leaves no adhesive residue. Dirt and dust can be cleaned off the adhesive with cold water. It is perfect for indoor athletic court floors when used with CourtWrap Protect textured non-slip laminate (ASTM D-2047 & R10 certified) which we apply during manufacturing.

WINDOW PERFS

Our cling material is Mojave Digital Media 8 mil Clear Hi Stat material. Our Window Perf material is ImageVue Flexible Vinyl Film. It has 35% open area. It must be applied in temperatures no colder than 40F and can withstand temperatures from 0F to 140F. The Window Cling material is Mojave Digital Media 8 mil Clear Hi Stat®. It is a clear, flexible static cling vinyl which adheres to most clean, highly polished smooth surfaces without adhesive. For temporary window graphics, the window cling works perfectly. For concrete, asphalt and brick walls, we use Alumigraphics, a gloss white foil-based material. It uses a pressure sensitive adhesive which conforms to rough surfaces and typically leaves no residue when removed. Life expectancy of one year when on the ground in areas of heavy pedestrian traffic and up to five years for walls and other surfaces where there is no foot traffic.

VOLLEYBALL NET TAPE / COURT MARKERS

Our Volleyball 13oz vinyl net tape is a great way to show your pride and let your opponents know who's court they're on. The 1" Velcro reinforces the edges and securely fastens the tape to the net and provides for easy installation and removal. Our net tape comes in standard 32' length, custom lengths are available.

Court Markers add both organization and the finishing touch to your volleyball courts. Also made from our 13oz vinyl these court markers are easily installed in seconds by simply connecting the Velcro edges. Take-down is just as simple. The 1' x 2' size folds to 1' square when placed over the top of the net.
