INTEGRITY DESIGN

MOTIVATION BY DESIGN®

Integrity Design's mission is to design, create and deliver high-quality, recognition and motivational banners and other brand and function specific materials for individual and team sports, as well as other academic organizations. While we pride ourselves on providing clients with exceptional collateral we are also devoted to helping teams and organizations define their branding goals to ensure long lasting and maximum impact. The materials we develop not only help to enrich and reward the performance of high-performing athletes and students, but also foster self-worth, pride, and loyalty in all the individuals who participate in activities overseen by our clients.

Quote / Art Proof

We provide art proof, quote, including shipping and any applicable tax, on all orders.

Production Time

Production time varies by job but normally product will ship in 10-15 business days after final art approval and payment or PO receipt.

Special Orders

Call for quantity pricing and special size or product orders.

Custom Art Charges

Orders requiring extensive custom artwork may incur additional charges.

Payment Terms

We take school purchase orders, dealer purchase orders, Visa, Mastercard, American Express, Discover and checks. We will supply a W-9 upon request and will complete any vendor registration information required. Orders may be held until we receive a purchase order or payment by other accepted means.

Contact Information / Directions

Integrity Design is committed to a strong partnership with Under Armour, and each dealer representing the brand. Our team of artists and customer service associates represent decades in the sports branding industry. Our drive to win is as strong as the teams we provide championship branding for.

This Under Armour Dealer Program guide will highlight the details of our partnership with the UA team. Our goal is to assist the Under Armour Dealer team in branding their schools, maintaining strong relationships with the teams under the UA brand, and providing tools to help add schools to the UA partnership. In the following pages you will find the resources we can provide and the details in how to take advantage of them.

As part of our partnership, when the Under Armour Team provides branding for a school through a school allotment or other promotional agreements, the UA team will receive 30% off retail pricing. Any welcome packages will be discounted 20% off of the list price.

Welcome Packages

Our welcome packages are designed to be a part of your pitch to a new school. Each tier has a well rounded selection of branding items to provide the school with a great jump-start on their campus branding. The charge to the UA team will be an additional 20% off listed price.

Contact our CSR team to have a complimentary art proof sheet prepared ahead of your pitch.
